

# Fun places and spaces

## UNIT 5

Third  
grade

**María:** Alright, Jetsun, you're next. I'm going to teach you about activities that humans like to do. When you go live with your new family, you can do these activities with them!

**Jetsun:** Ok, let's go!

**María:** This is a basketball. You shoot the basketball into the hoop, like this!

**Jetsun:** What happens after you shoot the basketball into the hoop?

**María:** Well, you get points. Two teams play against each other to see who gets more points.

**Jetsun:** That sounds fun!

**María:** It is!

**María:** Now this is a soccer ball. You kick it into the goal, like this.

**Jetsun:** Ok, let me try!  
**María:** Good job, Jetsun!

**María:** People like to play these sports to get exercise and fresh air. There are many sports in the world.

**María:** There's basketball, baseball, soccer, volleyball, tennis and many more!

**María:** Do you like playing these sports?

**Jetsun:** Yes, I like playing soccer the most!

**María:** Great! You are going to be a good teammate for you new family.
